HELLO, AND WELCOME

Welcome to *The Awesome Place*

Some days deserve more than a hall and a few chairs. They deserve a place that feels like it was waiting for you. That's what we built on Boundary Road — palms out front, warm light at dusk, and a glass-fronted hall that glows when your guests arrive.

We've hosted first dances and fiftieth birthdays, product launches and quiet family thanksgivings. Every one of them taught us the same thing: people remember how a day *felt*. So we sweat the details, and you get to enjoy your guests.

Questions we hear a lot

How many guests can you hold?

Up to 600 banquet-style in the main hall. Smaller events feel just as good — we scale the layout to fit.

Can I bring my own vendors?

Yes. Decorators, DJs and photographers are welcome. Outside caterers pay a GH₵ 2,000 kitchen & service fee.

How long is the venue mine?

8 hours, including setup. Extra time is GH₵ 1,500 per hour, booked in advance.

What if I need to cancel?

60+ days out, we refund 75% of your deposit. Inside 60 days the deposit is kept, but you can move your date once, free, within 6 months.

Is there backup power?

Yes. A standby generator keeps lights, sound and air-con running, so "lights off" never ends the party.

Can I see the space first?

Please do. Viewings run daily by appointment — just send us a message.

Is parking free for guests?

Yes. We have a very large on-site car park, so nobody circles the block in heels.

When can my decorator set up?

From the morning of your event. Need the evening before? It's included in VIP, or GH₵ 3,000 as an add-on.

Book early

Saturdays from October to December are usually gone by mid-year. Secure your preferred date today.
